

Tourism in Kashmir

Kashmir, often celebrated as “**Paradise on Earth**,” is one of India’s most beautiful tourist destinations. With its snow-capped mountains, lush green valleys, sparkling lakes and peaceful landscapes, Kashmir offers visitors an unforgettable experience. Places such as **Srinagar, Gulmarg, Pahalgam, Sonamarg and Gurez Valley** attract tourists with their natural beauty and diverse experiences.

Tourism in Kashmir is not only about beautiful scenery; it is also about experiencing the region’s rich culture, traditions, cuisine and handicrafts. Visitors can enjoy a shikara ride on Dal Lake, explore Mughal gardens, experience winter sports in Gulmarg, trek through mountain valleys and discover traditional Kashmiri crafts. The tourism department also promotes adventure tourism, nature and wildlife, local cuisine, and handicrafts.

Kashmir has enormous potential for tourism throughout the year. **Spring brings colourful flowers, summer offers pleasant weather, autumn paints the valleys in golden shades, and winter transforms the mountains into a snowy wonderland.** Promoting responsible and sustainable tourism can create employment opportunities for local people while protecting Kashmir’s natural and cultural heritage.

Kashmir is not merely a place to visit it is a place to **experience, remember and cherish**. By welcoming visitors with its breathtaking landscapes, warm hospitality and unique culture, Kashmir can continue to shine as one of the world’s most memorable travel destinations.
